

## P.6 My dream job

I want to be an archaeologist when I grow up because it is challenging and interesting. If I become an archaeologist, I will go to different countries to study remains and human activity. Also, I will co-operate with other archaeologists to find some hidden remains so we can have a big success. If we have a big success, we will be famous in archaeology.

Archaeologists need to be perseverant so that they can spend a long time finding and studying the remains. They need to be confident too. They need to be careful so that they can dig out the unearthed cultural relics without breaking them. They also need to be diligent so that they can have enough knowledge to study historical things.

I think this job is suitable for me because I am interested in studying the past and I am good at history too. From now on, I will study hard and study at university so that my dream can come true.

6A Mok Ho Lun, Hugo

I want to be a Youtuber when I grow up because it is creative and challenging. If I become a Youtuber, I will share interesting things with others. This job requires good skills to produce videos and communicate with social media.

Youtubers need to be creative so that they can have many ideas. They need to be well-organized and outgoing. They also need to be willing to learn new things so that they can create interesting videos.

I think this job is suitable for me because I have many creative ideas. I am outgoing too. I believe my videos will attract big audiences to watch my channel.

6B Zeng Yuet Kiu, Eunice

I want to be a doctor when I grow up because it is meaningful. If I become a doctor, I will cure sick people. If I cure sick people, I will be happy to see them get well and smile again.

Doctors need to be patient and calm so that they can handle difficult situations. They need to be hard-working too. They need to be smart and study hard so that they can get a doctor's professional license.

I think this job is suitable for me because I am patient and calm. I am hard-working too. I am going to study hard and read more books now. I hope I can be a doctor some day.

6C Ng Ka Yan, Shemika

I want to be a vet when I grow up because it is meaningful. If I become a vet, I will cure sick animals. If I cure sick animals, I will save their lives.

Vets need to be patient so that they can find out what happened to the animals. They need to be smart too. They need to be caring so that they can save the animals.

I think this job is suitable for me because I like animals and I want to help them. I am caring too.

I hope I can be a vet some day.

6D Wong Suen Ting, Becky

I want to be an actress when I grow up because it is exciting. If I become an actress, I will act in films. If I act in films, I will have a lot of fans.

Actresses need to be outgoing and good-looking so that they can act in films. They need to be calm too. They need to do a lot of rehearsals so that they can perform well.

I think this job is suitable for me because I am outgoing and good-looking. I am hardworking too. I hope I can be an actress some day.

Dear Dick,

How are you? I am happy to receive your email. I am going to tell you about Hong Kong 60 years ago and now. Children did not play electronic games 60 years ago. They played hide-and-seek and hopscotch. They liked these games as they were exciting and interesting. They play electronic games now. They think these games are really fun because they are challenging and exciting. There are supermarkets now. There weren't any supermarkets 60 years ago. There is a theme park now. There wasn't a theme park 60 years ago. I like the life in Hong Kong now because life now is more convenient. How about the life now in the USA? Please write back soon!

Best wishes,
